Examiner's Comment Regarding Requirement for the Deposit of Biological Material                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Examiner's Statement of Reasons for Allowance                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| PTOL-37 (Pari 11/10) (N 1624                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

An examiner's amendment to the record appears below. Should the changes and/or

additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312.

To ensure consideration of such an amendment, it MUST be submitted no later than the payment

of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with

Anthony Curtis on 12 November 2003.

The application has been amended as follows:

In the Drawings:

The following changes to the drawings have been approved by the examiner and agreed

upon by applicant: In Fig. 1, a connecting line has been inserted between blocks "F2" and "H2" &

a connecting line has been inserted between blocks "H2" and "D2", respectively. In order to

avoid abandonment of the application, applicant must make these above agreed upon drawing

changes.

In the Claims:

In claim 1, last paragraph, --respective-- has been inserted prior to "high-frequency unit"

& --corresponding-- has been inserted prior to "demodulation unit".

In claim 4, fourth paragraph, --respective-- has been inserted prior to "deletion units" & --

corresponding-- has been inserted prior to "first remainder".
